2016 Held in Dubai on April 2016**

Held under the patronage of Dubai Municipality, the fourth edition of the immensely successful **Middle East Smart Landscape Summit** will take place on 25th and 26th April 2016. The Middle East Smart Landscape Summit has successfully established itself as the region's leading landscaping event with global experts from United States of America, Singapore, United Kingdom, Australia and many other countries discussing topical themes that focus on smart, innovative and sustainable landscaping technology and best practices in the industry.

In keeping with Dubai government's vision and commitment to the sustainable growth of the region's landscape sector, the Summit aims to promote the enhancement of green infrastructure investment and highlight the various possibilities and challenges of increasing green landscapes in the city.
