DIVOT MIX COLORANT

CAUTION

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

Before using this product, read the entire label, including the conditions of sale.

May cause irritation if swallowed or contact is made with skin or eyes.

STATEMENT OF PRACTICAL TREATMENT

If in Eyes: Wash eyes with large amounts of water for at least 15 minutes, lifting the lower and upper lids. Seek medical attention immediately.

If on Skin: Remove contaminated clothing and immediately wash contaminated area with soap and water for at least 15 minutes.

If Swallowed: Do not induce vomiting or give fluids by mouth to an unconscious person. If person is conscious, give large quantities of water or milk and seek medical attention immediately.

GENERAL INFORMATION

REPLACE is a permanent colorant specifically formulated to impart a uniform, natural green color when applied to sand during the mixing phase of divot mix preparation.

DIRECTIONS FOR USE

FOR USE AS A DIVOT MIX COLORANT ONLY.

SHAKE WELL BEFORE USING.

USE RATES

Use REPLACE at 6 - 12 ounces per 100 pounds of sand.

MIXING

- 1) Load 100 - 150 pounds of sand into a portable cement mixer and begin mixing.
- 2) Add appropriate amount of REPLACE to mixing sand.
- 3) Continue mixing until thorough and uniform coverage is achieved.
- 4) To lighten color: Continue to add more sand and mix until desired color is achieved.
- 6) To darken color: Add more REPLACE and mix until desired color is achieved.

STORAGE AND DISPOSAL

May be stored below 32° F if thawed and thoroughly agitated before use. Keep container closed in storage. Do not allow water to be introduced. Store only in original container. Triple rinse when empty and offer for recycling. Always dispose of container in accordance with local, state and/or federal regulations. Do not reuse empty container.

CONDITIONS OF SALE

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
