This product **MUST NOT** be used for any purpose or in any manner contrary to the controls and conditions of this approval.

**HSNO Classifications 6.5B, 9.1A**

**WARNING**

May cause sensitisation from prolonged skin contact.  
Very toxic to aquatic organisms.

**PRECAUTIONS**

Store in original container, tightly closed, away from foodstuffs.  
When mixing or applying, wear protective clothing including overalls, waterproof gloves, footwear and face shield.  
Avoid contact with skin and eyes and inhalation of spray mist.  
Wash hands and face thoroughly with soap and water before meals and after work.  
DO NOT eat, drink or smoke while using.  
Wash protective clothing daily after work.  
Apply with well maintained and calibrated spray equipment.  
Avoid contamination of any water supply with chemical or empty container.

**Container disposal:** Ensure the container is empty. Triple rinse the container and add the residue to the spray tank. If recycling, dispose of the cap and return clean containers to recycler or designated collection point. Alternatively, if allowed under local Territorial Authority District Plans, burn if circumstances, especially wind direction permit otherwise crush and bury in an approved local authority facility. **DO NOT** reuse this container for any other purpose

**Product disposal:** Dispose of this product only by using according to the label or at an approved landfill or other approved facility.

**FIRST AID**

If medical advice is needed: have product container with label at hand.  
If swallowed **DO NOT** induce vomiting. For advice, contact the National Poisons Centre 0800 POISON (0800 764 766) or a doctor immediately. Begin artificial respiration if breathing has stopped. Use mouth to nose rather than mouth to mouth. Obtain medical attention. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. **DO NOT** scrub the skin. If splashed in the eyes, wash out immediately with water. If inhaled, move the victim to fresh air immediately. Begin artificial respiration if breathing has stopped.

## **SPILLAGE**

Wear suitable protective clothing including face shield, impervious gloves and boots. Prevent the product or spilled material from entering water bodies. Absorb liquid spills with inert materials such as earth or sand and place in waste containers. Wash area with water and absorb with further inert material. Dispose of safely.

## **GENERAL INSTRUCTIONS**

ADIGOR is a blend of surfactant and methylated canola oil required for use with TWINAX. ADIGOR improves the reliability of weed control.

**Important:** Prior to use, read all directions on this label and the TWINAX label. Any specific usage or restriction on the crop protection product label has precedence over directions for use referred to on this label.

## **DIRECTIONS FOR USE**

When using with TWINAX, add to spray tank at the rate of 500 mL/100 L water. If using low water volumes (100 L water/ha or less) use a minimum of 500 mL/ha ADIGOR.

## **MIXING**

Follow the directions on the label of the crop protection product being used.

Thoroughly clean the spray tank prior to and following use. For appropriate cleaning instructions, refer to the label of the product sprayed previously. Fill the spray tank to half full with clean water. Start agitation. Add the crop protection product by pouring it into the stream of incoming water and continue filling. Add the required amount of ADIGOR just before the tank is full and continue agitation. Ensure spray solution is applied as soon as possible after mixing.

## **STORAGE**

Store in a dry place. Avoid storage below 0°C and above 35°C. See Safety Data Sheet for additional storage information. Stores containing quantities of 100 litres or more require signage and secondary containment.

## **SAFETY DATA SHEET**

If additional hazard information is required, refer to the Safety Data Sheet. For a copy, visit our website at [www.syngenta.co.nz](http://www.syngenta.co.nz)

## **DISCLAIMER**

This product complies with the specifications in its statutory registration. Implied terms and warranties are excluded. Syngenta's liability for breach of the express or any non-excludable implied warranty is limited to product replacement or purchase price refund. The purchaser must determine suitability for intended purpose and take all proper precautions in the handling, storage and use of the product including those on the label and/or safety data sheet failing which Syngenta shall have no liability.
